

ATSS-CDA

SUBJECT: Policy Letter #7, Motorcycle Mentorship Program

6. Motorcycle Personal Protective Equipment (PPE): Mandatory wear for all Soldiers operating motorcycles, mopeds, or ATVs on Fort Bliss Installation are as followed:

a. Helmets: Certified helmets that meet DOT standards and chinstraps must be properly fastened under the chin.

b. Eye Protection: Impact or shatter-proof goggle, wrap around glasses, or full-face shields attached to the helmet are the approved methods of PPE for eye protection.

c. Footgear: Leather (over the ankle) boots.

d. Clothing: Long sleeved shirts or jackets, long trousers, and full fingered gloves or mittens.

6. Motorcycle Mentorship Program: The NCOA Motorcycle Mentorship Program NCOIC will ensure he/she receives training to be certified as a Motorcycle Safety Foundation (MSF) Instructor.

7. Supervisors will provide the NCOA Motorcycle Mentorship Program NCOIC a DA Form 4856 focusing on Motorcycle Safety Awareness for each Soldier that owns and operates a motorcycle.

8. All assigned/attached personnel desiring to purchase or ride a motorcycle will be required to familiarize themselves with the contents of the Fort Bliss Motorcycle Safety Policy, be counseled by the NCOA Motorcycle Mentorship Program NCOIC on the motorcycle safety requirements, and subject their motorcycle, it's registration and insurance, and their certification documents to the NCOA Motorcycle Mentorship Program NCOIC for inspection and validation.

9. All assigned/attached personnel will adhere to Standing Order 07 (see enclosure).

10. The point of contact for this memorandum is the undersigned at (915) 568-2440.
