OPSEC

Coloring Book

4 Kidz

If your Mom
or Dad works
for the U.S. Army...

You can help your
Mom & Dad
& the U.S. Army
at the same time with...

OPSEC

at home!

What is OPSEC ???

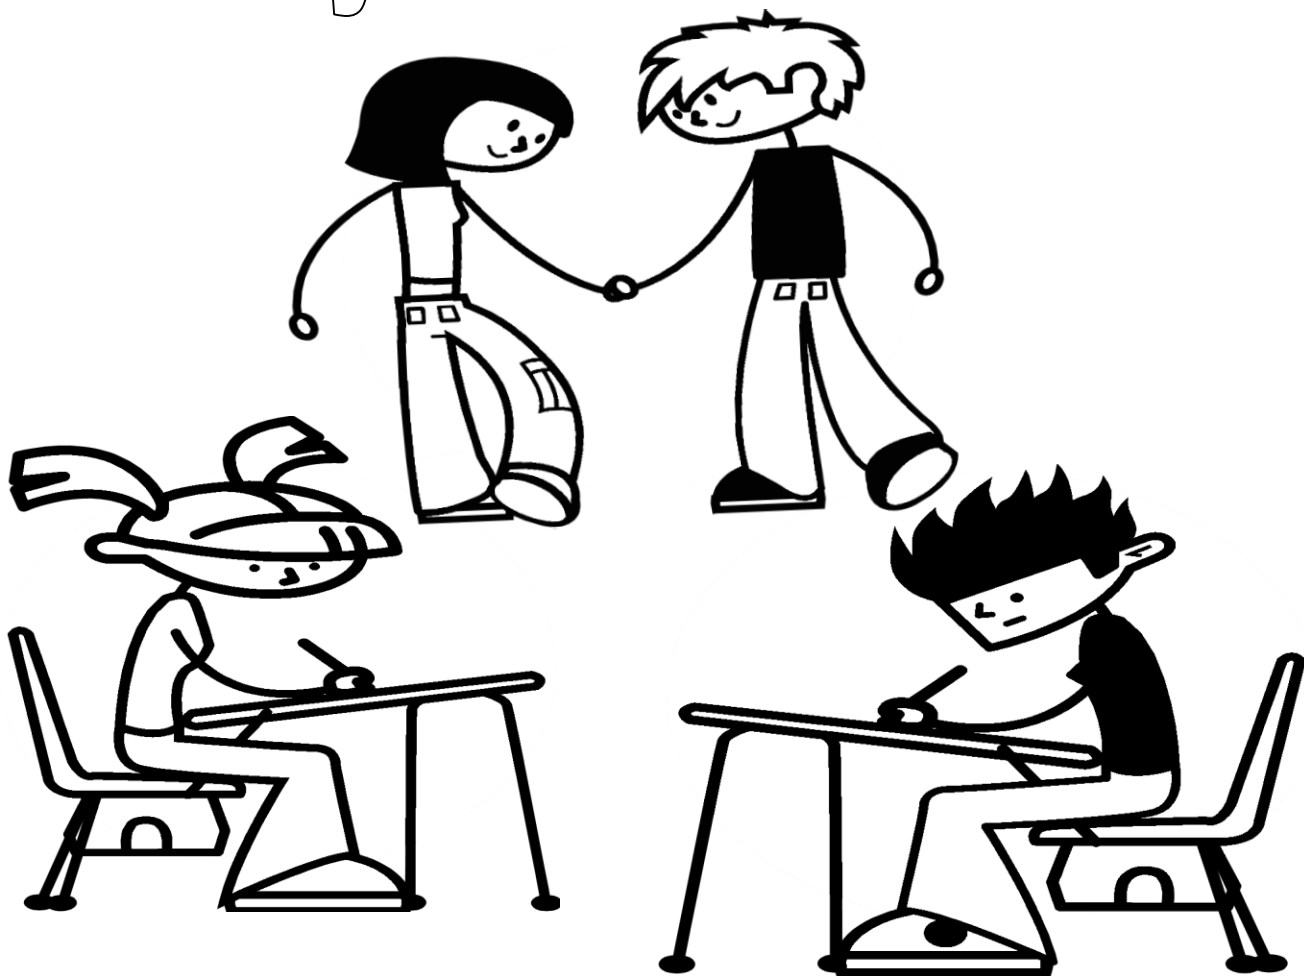

It's like keeping a secret

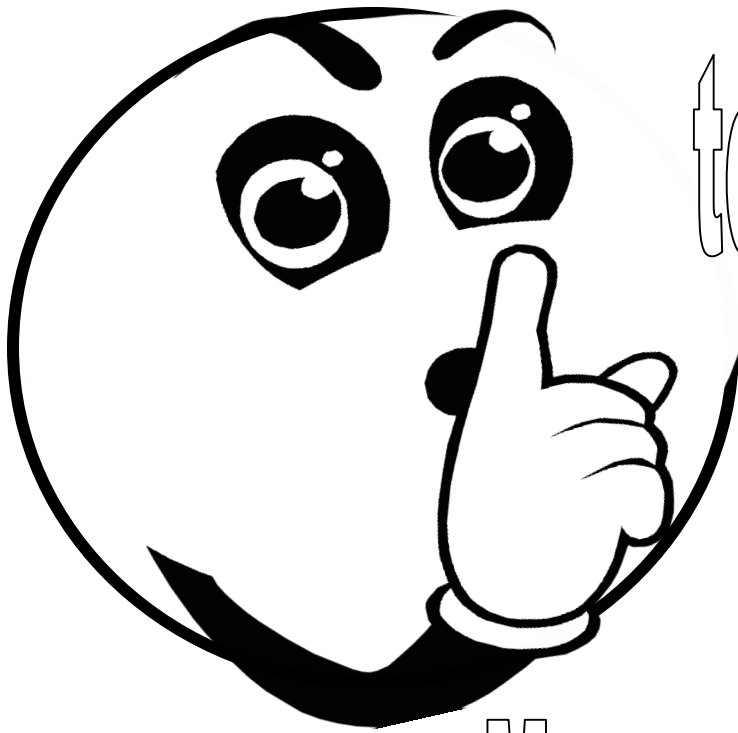

**“OPSEC” comes from
the words
Operations and Security**

**OPSEC is all about
protecting your
personal stuff
from people
who might steal it**

You can talk about what
your Mom and Dad does
at school, but it should
only be with close friends
you can trust

But you should never

tell strangers

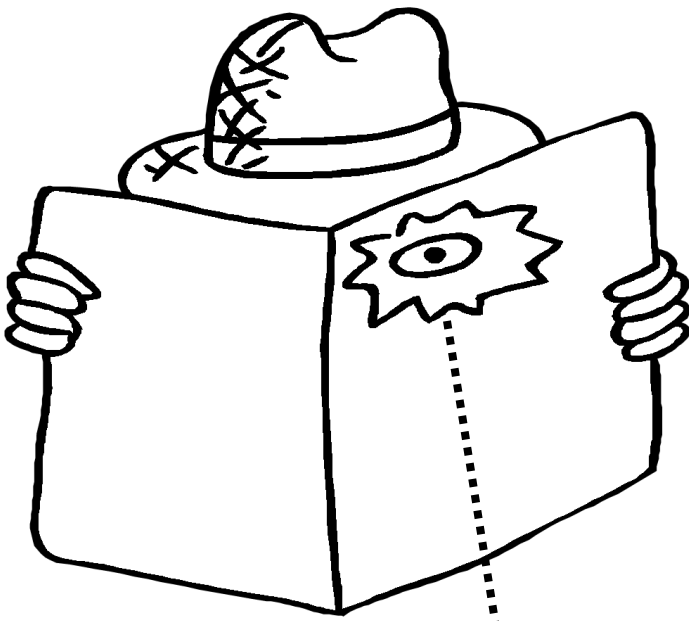

what your

Mom or Dad does for

the Army or where they work!

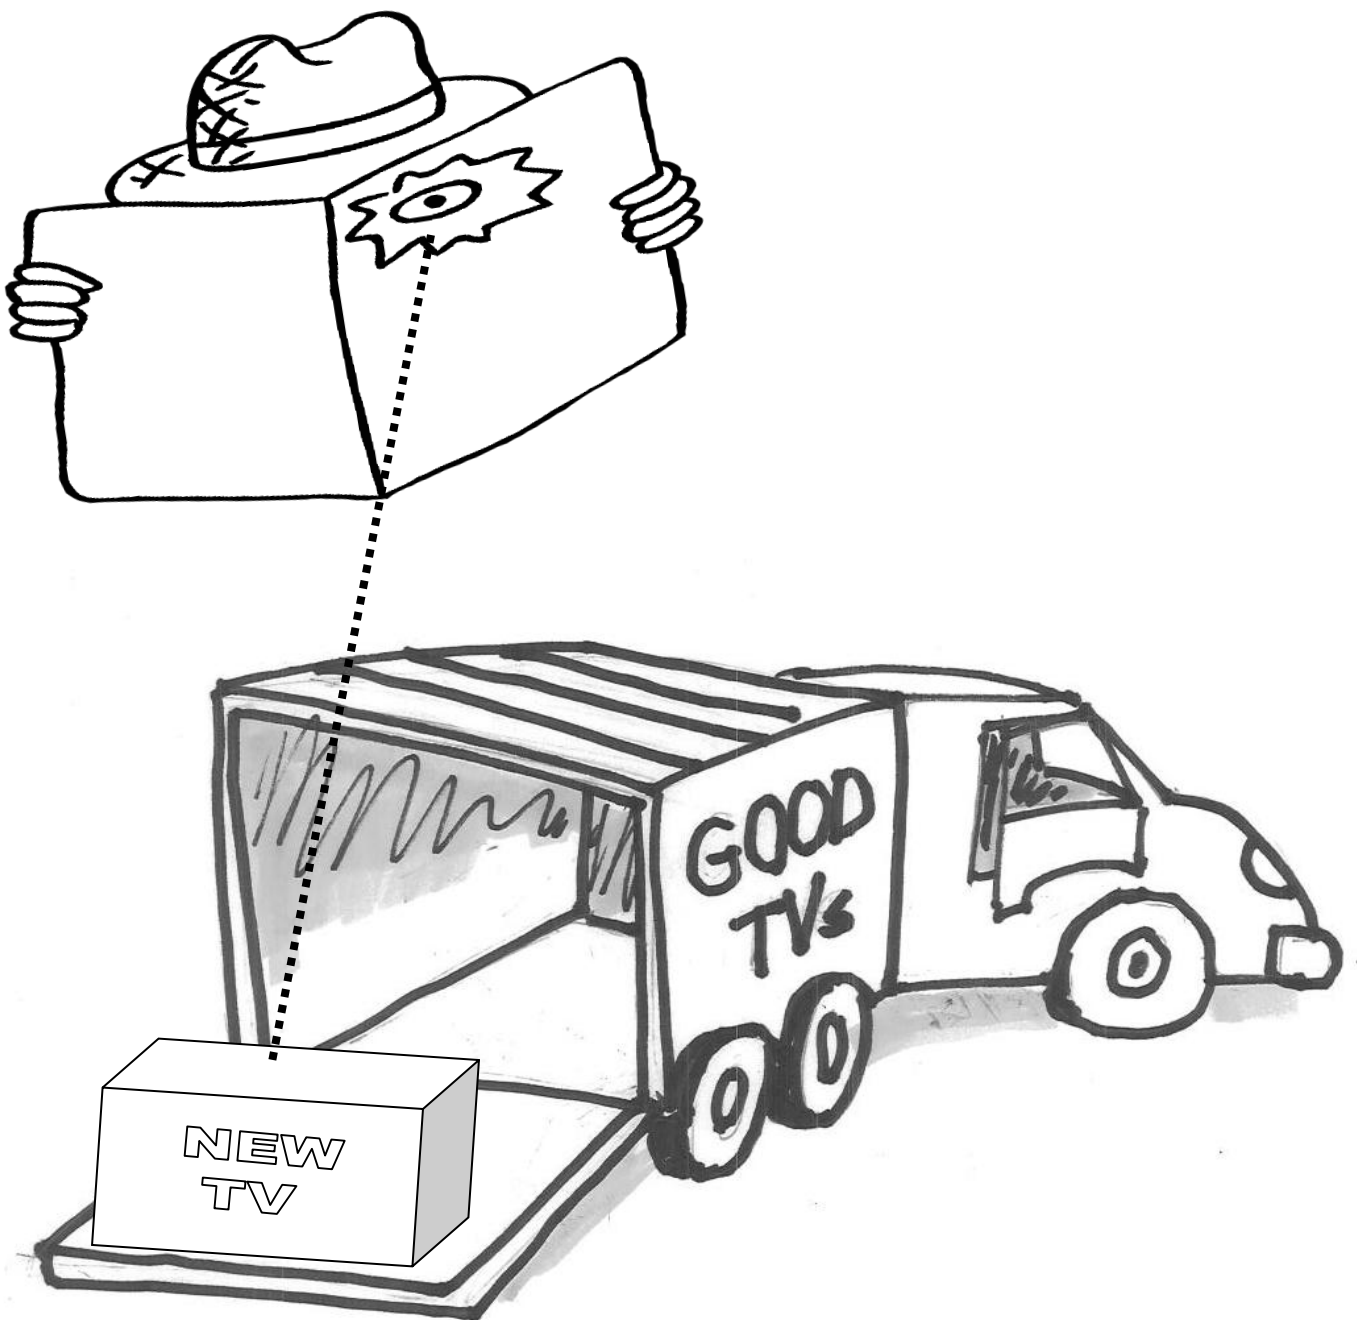

Keep watch for anybody
in your neighborhood
who doesn't live there

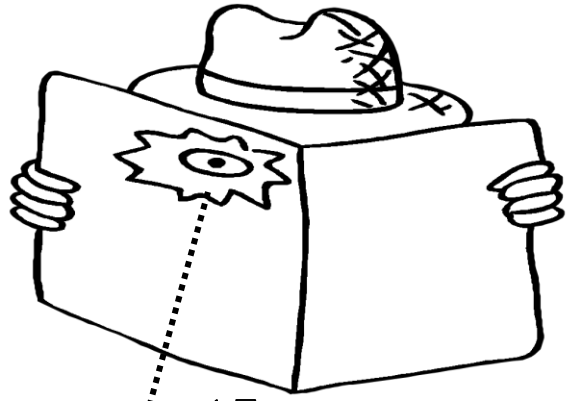

Have you seen
any strangers who
could be watching
your house?

Did they see the
truck that delivered a
new TV to your house?

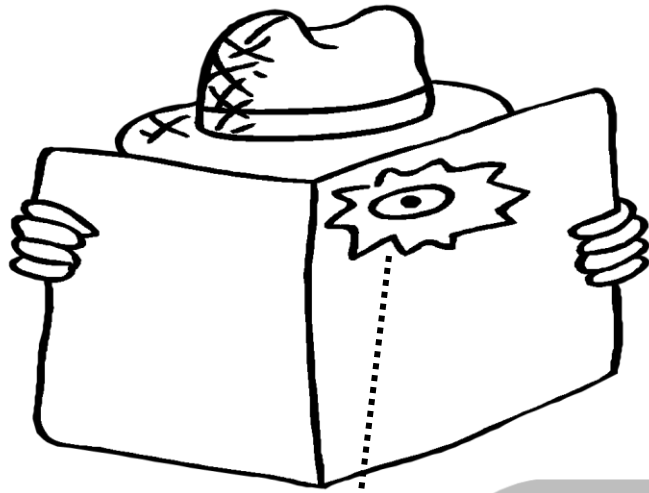

Did they see the
piggy bank where you've
been saving
your allowance?

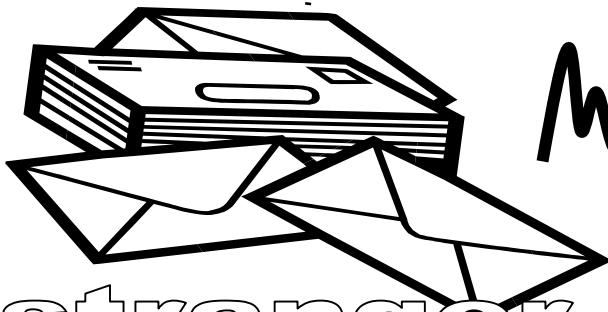

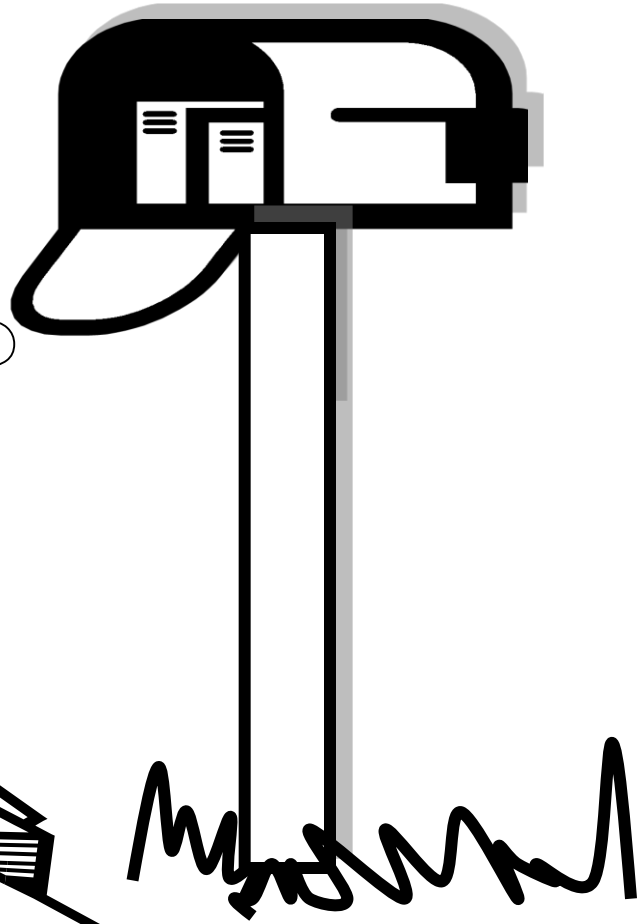

Yippee!

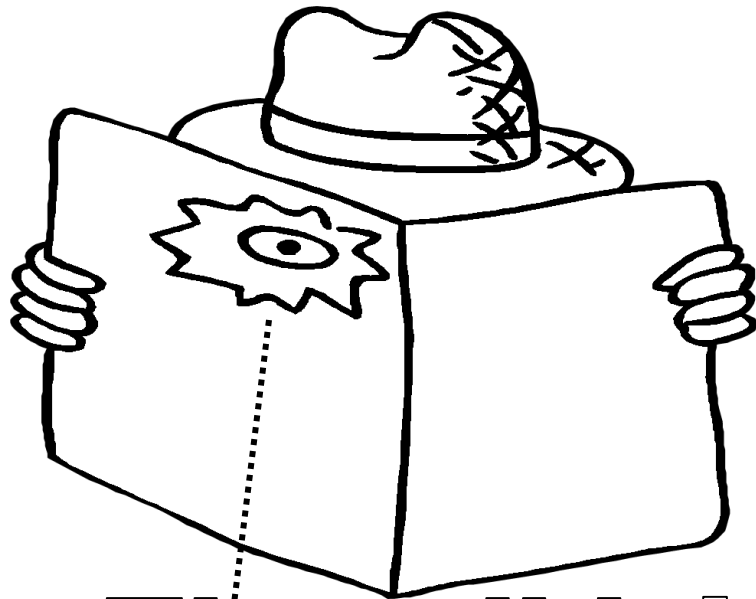

What if Mom and Dad
decide to take everyone
to the beach?

But, Mom
and Dad
didn't stop
the mail

any stranger
can see it piling
up at your
mailbox

They didn't
tell your
neighbors
about this trip.
When the delivery
man left a
package, no
one knew
to take it
inside.

The stranger now
knows everyone is gone.
Your house looks empty
and
OH NO! A window was left
open...

A very lucky
day for a
very BAD man.
Too bad about
the new
TV and your
piggy bank!

What can YOU do?

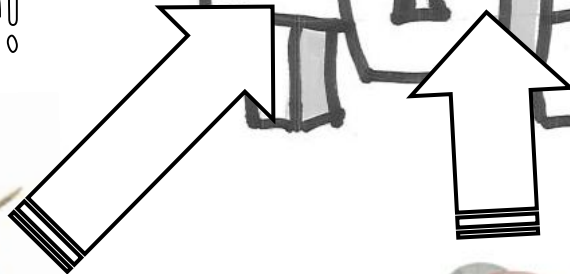

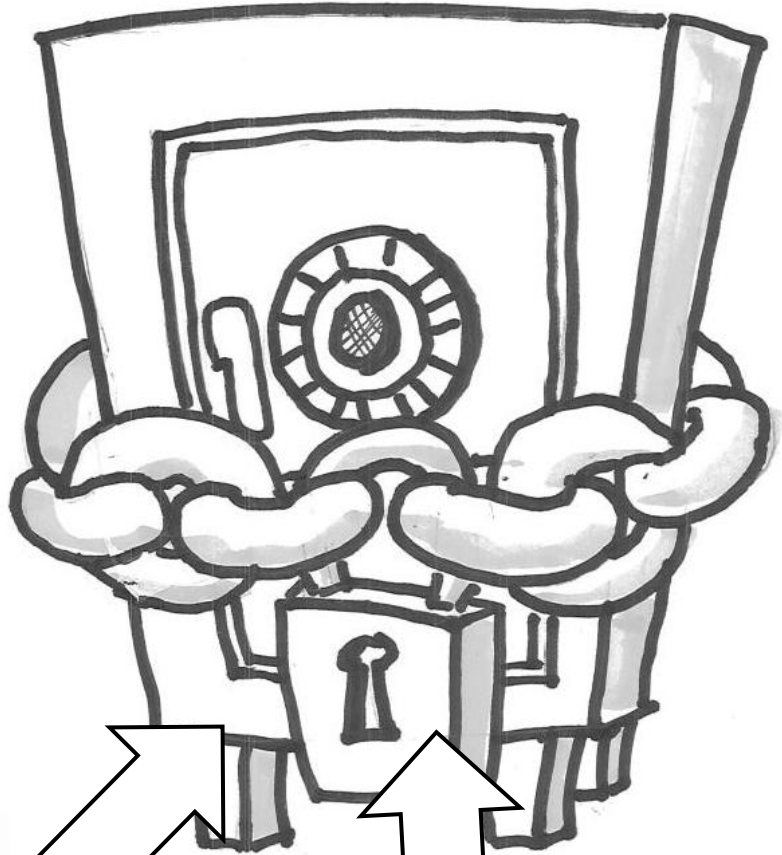

Everyone thinks
you're just a little kid . . .
BUT...

1. YOU

should
put your
piggy bank
in a
safe place!

2. YOU

can help
Mom and Dad
tear up old
letters and
bills before
they put
them in the
trash can.

3. YOU

can remind Mom
and Dad
to break up any
delivery boxes
before they
put them out for
trash pick-up.

4. YOU

can make sure

Mom and Dad tell

the mailman,

even if you're going

for just a few days.

A top-down view of a neighborhood of small, white, single-story houses with gabled roofs and chimneys. One house in the center is highlighted in red. A speech bubble originates from the red house.

Hello, Mrs. Jones,
can you please
watch our house
for a few days?

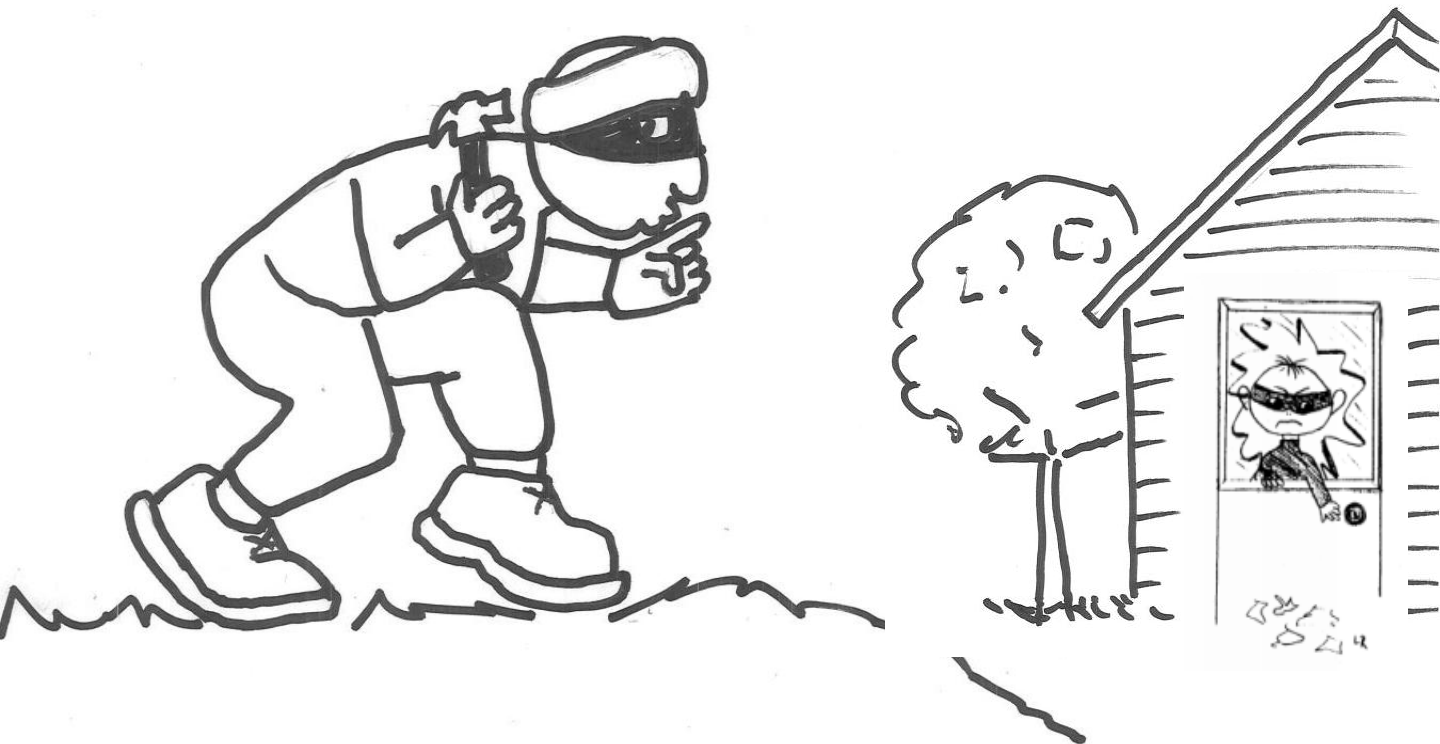

5. YOU

should tell a neighbor
that you are going on

a trip and when you'll be back.

6. YOU

can help check all the windows and doors to make sure they are locked before you leave.

Hey Neighbor !

Now, if your
neighbors see
any stranger
around your
house, they can
call the Police!

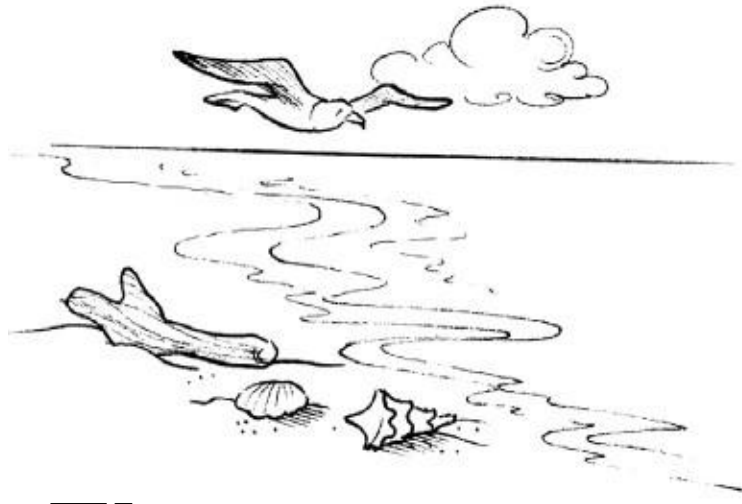

911

That bad guy will
get caught and
spend HIS vacation
in jail. Your house
and your piggy
bank will be safe!

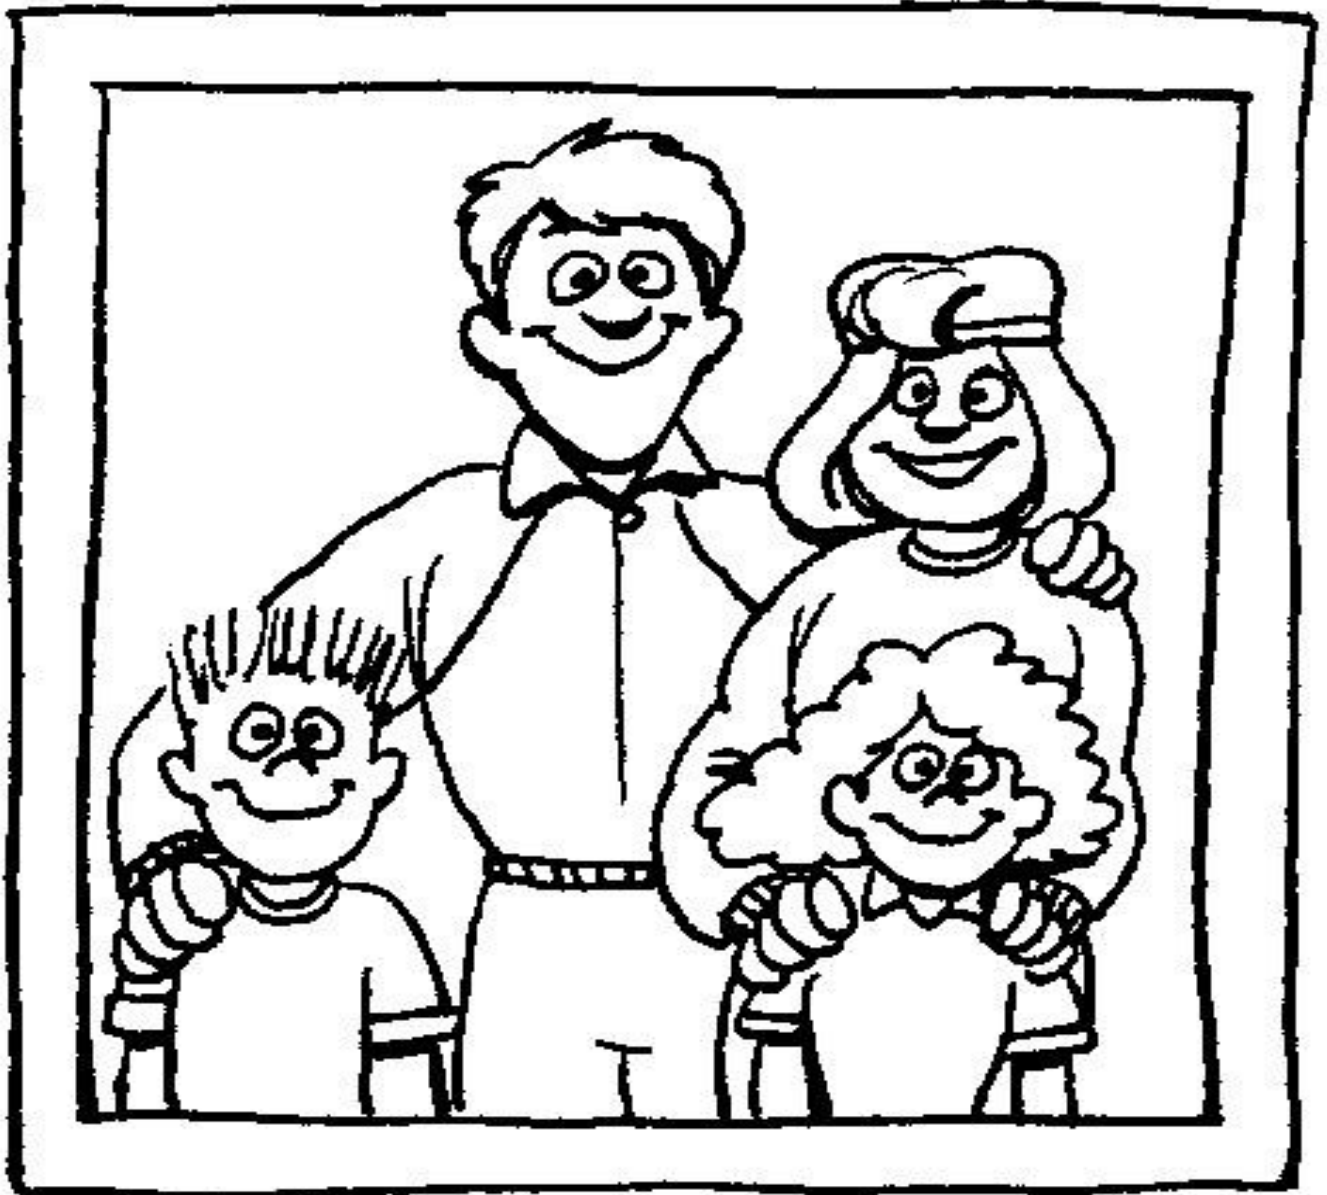

Surf & Sand

Then your
family can
enjoy the
trip knowing
your home
is safe and secure..

...don't worry - you can have
a FUN trip because you know
how to practice OPSEC now!
